

Sunago English Skills

GRADUATE EDITION

According to a recent survey by JobStreet, one of the main challenges employers face when recruiting candidates is finding those with a good command of English. At Sunago Education, we help you improve your English and communication skills for a successful career!

OUR FORMULA, YOUR SOLUTION.

Sunago English Skills Graduate Edition (SES Graduate Edition)

SES Graduate Edition prioritises the main aspects of the English language including grammar, reading, listening, speaking and writing to help prepare graduates for the workplace by improving their overall English Language Proficiency and workplace communication skills, which will benefit them through career development.

SES Graduate Edition is an online learning course with highly interactive, engaging and flexible lessons and is based on the Common European Framework of Reference for Languages (CEFR), levels B1 and B2, recognised by the Ministry of Education Malaysia.

Why Sunago English Skills?

Flexible learning schedule

- 16-week programme comprising 4 lessons each week.
- Each lesson takes approximately 30 minutes to complete.
- Learners can complete the lesson **anytime** of the day according to their convenience.
- Experienced and enthusiastic online coaches engage with learners to provide feedback and guidance

Expand Your Network

- SunagoLearn provides flexibility of access to suit learners' lifestyle and schedule.
- Learners are able to collaborate with their peers on SunagoLearn by exchanging information and expanding their network through online interactions just like on Facebook or LinkedIn!
- Learners get to upload their CVs on our Career Central platform as well as be connected with employers who are eagerly looking for English proficient candidates.

Sunago English Skills

Graduate Edition

① Lessons and activities

Grammar

Extensive variety of English exercises and activities to help learners build strong English basics.

Listening & Speaking

A library of authentic audios by native English speakers to help improve learners' listening and speaking skills.

Reading

Wide variety of informative and authentic articles on different topics to keep the learners engaged.

Writing

Practice exercises designed to help develop and prepare learners to handle business writing tasks confidently.

② Online Coaches

To guide and facilitate the learners as they proceed with the programme.

③ Collaboration with Peers

To help learners practice their English skills with their online classmates through the online learning platform, SunagoLearn.

About Career Central

Learners can create their own professional CV that can be uploaded onto our very own Career Central platform, an online job portal that connects them with potential employers. This platform provides learners with a series of enhancement tools that make their CVs interactive and appealing and gives users an edge to secure an excellent first impression. Potential employers that are eager to recruit English proficient candidates have access to this platform whereas learners can search and apply for desired jobs as well!
