

Sunago English Skills

WITH SPM PREPARATION

Are you going to sit for the SPM examination?
Do you want to have better English skills?
Do you want an effective and flexible English programme?

OUR FORMULA, YOUR SOLUTION.

Sunago English Skills with SPM Preparation (SES SPM Prep)

SES SPM Prep is an **online** learning course with highly interactive, engaging and **flexible** lessons that are based on the Common European Framework of Reference for Languages (CEFR), levels B1 and B2, recognised by the Ministry of Education Malaysia.

SES SPM Prep prioritises the main aspects of English language including **grammar, reading, listening, speaking and writing** to help prepare students for the **SPM** English examination by improving their overall **English Language Proficiency**, which will benefit them through tertiary education and beyond.

Why Sunago English Skills?

Flexible learning schedule

This 16-week programme comprises 4 lessons each week. Each lesson is estimated to take approximately 30 minutes to complete. Students can complete the lesson **anytime** of the day according to their convenience.

Live online coaches

Throughout the programme, our experienced and enthusiastic online coaches will engage with students to provide feedback and guidance.

More than just tuition

Our online social platform, SunagoLearn, is the right fit for students as it provides flexibility of access to suit each student's lifestyle and schedule. Besides learning taking place online, students are also able to **collaborate**, acquire **independent learning** skills and share academic information with other students on SunagoLearn. Similar to how one learns from others on Facebook or Twitter, this programme encourages students to learn English with and from each other in a safe environment and instantly apply what they have learnt.

Sunago English Skills

with SPM Preparation (SES SPM Prep)

① Lessons and activities

Grammar

Extensive variety of English exercises and activities to help learners build strong English basics.

Listening & Speaking

A library of authentic audio by native English speakers that aims to improve students' listening and speaking skills.

Reading

Wide variety of informative and intriguing articles on different topics that will keep the students engaged.

Writing

Writing practice exercises designed to help develop and prepare students to handle SPM essay writing tasks confidently.

② Online Coaches

To guide and facilitate the students' learning as they proceed with the programme.

③ Collaboration with Peers

To help students practice their English skills with their online classmates through the online learning platform, SunagoLearn.

SPM Examination

SES with SPM Prep offers review activities and SPM trial papers to prepare students for their SPM English exam. Instead of focusing on memorisation and drilling, the Programme aims to improve students' overall English proficiency. With improved English proficiency, students will be in good stead to handle the demands of the SPM English exam. The Programme also helps to develop crucial soft skills such as collaborating with others and independent learning - which can be applied beyond the classroom.
