WITH MUET PREPARATION

Are you going to sit for the MUET examination?

Do you want to have better English skills?

Do you want an effective and flexible MUET English preparation programme?

## OUR FORMULA, YOUR SOLUTION.

### Sunago English Skills with MUET Preparation (SES MUET Prep)

SES MUET Prep is an online learning course with highly interactive, engaging and flexible lessons that are based on the requirements of MUET, but also meets the standards of the Common European Framework of Reference for Languages (CEFR).

SES MUET Prep prioritises the main aspects of English language including grammar, reading, listening, speaking and writing to improve students' overall English Language Proficiency which in turn will help students to be better prepared for the MUET English examination. Special tutoring and exam simulation sessions are conducted online (virtually) to familiarise students with MUET exam requirements.

## Why Sunago English Skills?

### Flexible learning schedule

This 6-week programme comprises lessons in Listening, Speaking, Reading and Writing. Each lesson takes approximately 30 minutes to complete. Students can complete the lesson **anytime** of the day according to their convenience, and are given achievable goals for improving their command of the language.

### Live online coaches

Throughout the programme, our experienced and enthusiastic online coaches will engage with students to provide feedback and guidance.

### More than just tuition

Our online social platform, SunagoLearn, is the right fit for students as it provides flexibility of access to suit each student's lifestyle and schedule. Besides learning taking place online, students are also able to **collaborate**, acquire **independent learning** skills and share academic information with other students on SunagoLearn. Similar to how one learns from others on Facebook or Twitter, this programme encourages students to learn English with and from each other in a safe environment and instantly apply what they have learnt.

## with MUET Preparation (SES MUET Prep)

### ① Lessons and activities

#### Grammar

Extensive variety of English exercises and activities to help learners build strong English basics, tailored to their achievement level and needs.

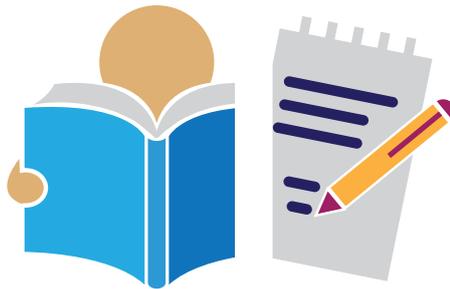

#### Listening & Speaking

A library of authentic audio by native English speakers that aims to improve students' listening and speaking skills, with special MUET exam simulation sessions to help students familiarise themselves with what is required.

#### Reading

Wide variety of informative and intriguing articles on different topics that will keep the students engaged, while focusing on MUET requirements.

#### Writing

Writing practice exercises designed to help develop and prepare students to handle MUET essay writing tasks confidently.

### ② Online Coaches

To guide and facilitate the students' learning as they proceed with the programme.

### ③ Collaboration with Peers

To help students practice their English skills with their online classmates through the online learning platform, SunagoLearn.

## MUET Preparation

Instead of focusing on memorisation and drilling, SES MUET Prep aims to improve students' overall English proficiency so that they will be in good stead to handle the demands of the MUET English exam. The Programme also helps to develop crucial soft skills such as collaborating with others and independent learning - which can be applied beyond the classroom.
